Schedule Notes:

Oversize vehicles will be allowed in the tunnel only Monday through Thursday. Please check the web page at www.dot.state.ak.us/creg/whittiertunnel for more detail on size limits and other restrictions.

Every effort has been made to minimize the impact of trains on traffic, however from time to time scheduled and unscheduled trains use the tunnel and an occasional 15 to 30 minute delay can be expected. Please allow extra time in planning your trip. Motorcycle helmets must be worn in the tunnel, and convertible vehicles must have the top in place.

During periods of temperatures 32°F or below, the tunnel will be opened for the last 5 minutes of the scheduled opening.

It is recommended that tunnel users be in the staging area at least 10 minutes prior to the scheduled opening to help us facilitate their passage.
